### Birthday countdown calendar

This original calendar makes it fun to count down the days of the month before a birthday. Build the calendar to match the specific birthday. As you open each day's window, one by one, take out the present or cake decoration that appears and attach it wherever you like on the illustration above the calendar. On the birthday, open the doors of the festive ball shown in the illustration to unfurl a "Happy Birthday" message.

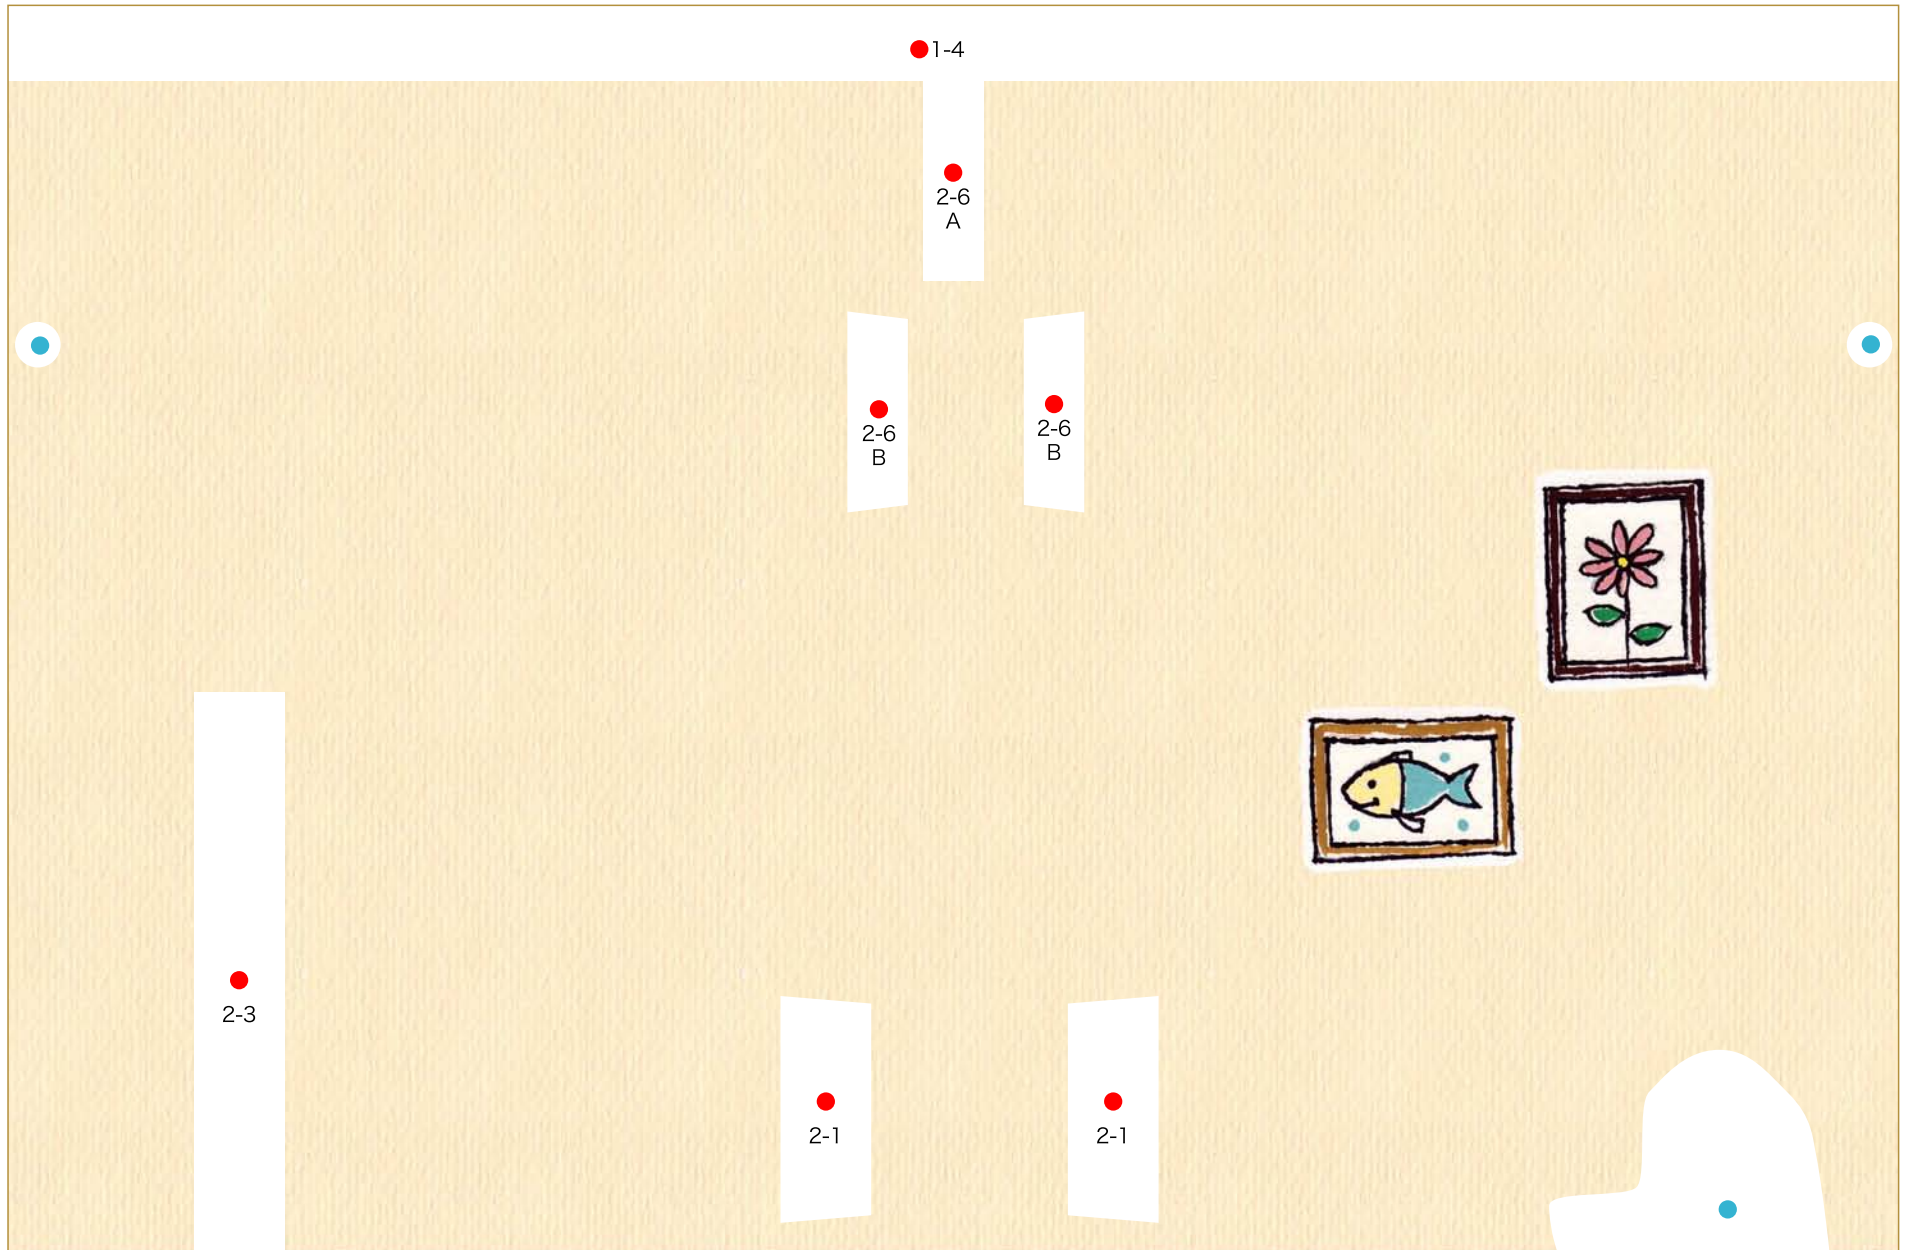

■ Parts list (pattern) : Seventeen A4 sheets (No. 1 to No. 17)

■ No. of Parts : 285

\* Build the model by carefully reading the Assembly Instructions , in the parts sheet page order.
