Mountain fold

Fold

How to attach rubber band or elastic cord to side holes.

Case 1: Punch holes

*Hang a rubber band over your ears.

Case 2: Use clear tape or glue.

*Place the elastic cord around your head.

★ Cut out the eyes and the mouth your choosing!

How to cut out eyes.

Bend the mask, make a cut with scissors, and then cut out.

When you put the mask on, your field of vision may be restricted. Be careful not to trip or bump into things!
