Santa Claus's house

This papercraft model depicts Santa Claus's house at Christmastime. The house is filled with Christmas trees, presents, and other fun items. You can decorate the house with a wide range of items, however you like, and you can play with the house by moving Santa Claus and other characters around in it. Not only does the interior of the house slide out sideways, but the first floor also can slide out to the front, so you can see and decorate the interiors of the rooms. This model is perfect as a fun Christmas decoration or present.

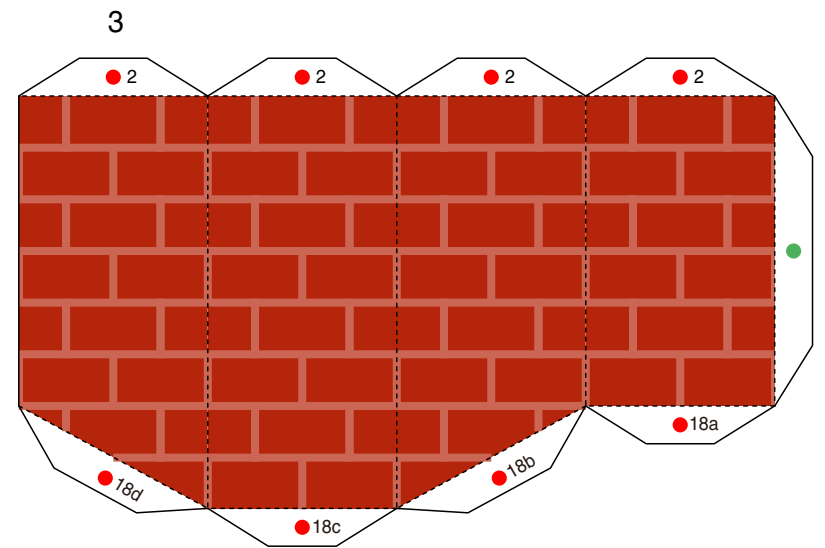

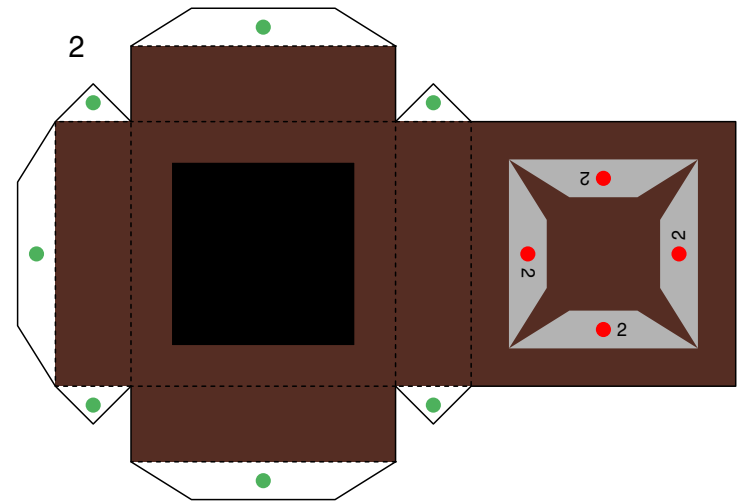

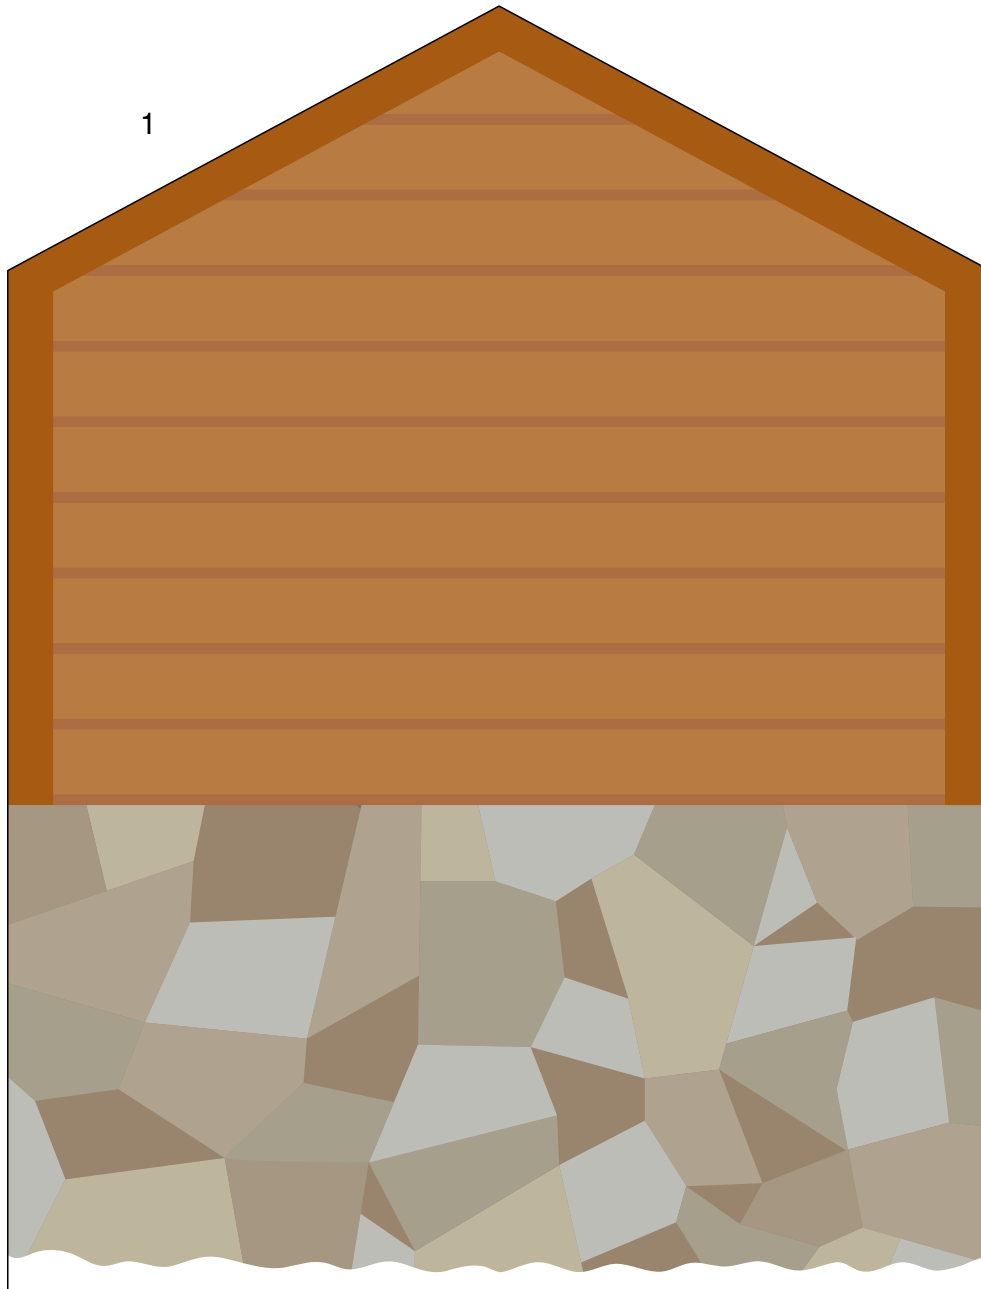

■ Parts list (pattern) : Thirty seven US letter sheets (No. 1 to No. 37)

■ No. of Parts : 322 (including 164 decoration parts)

* Build the model by carefully reading the Assembly Instructions , in the parts sheet page order.
