

# Cremia's milk wagon

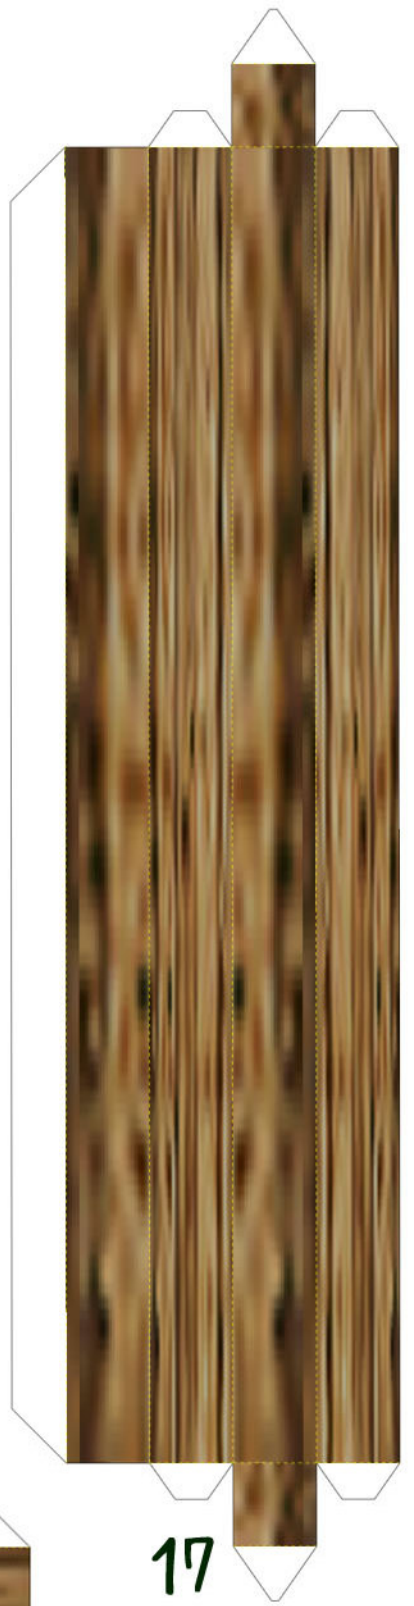

This wagon is used by Cremia (the eldest of the Romani sisters) to deliver the famed Chateau Romani milk to Clock Town over Milk Road. You can join her if you want to, which will start a sub-event where you need to protect the wagon from two bandits trying to stop that milk from ever reaching Clock Town... If you succeed, Cremia will give you Romani's Mask. This will grant you access to the Milk Bar in Clock Town, where you can obtain the Circus Leader's Mask, which will make the "Milk Road Run" much easier. Wait, wut...? Didn't you have to do the Milk Road run in order to get the Circus Leader's Mask...?? Yes, but since you can replay the three days over and over again as much as you like, you can do this sub-event more than once, and you might even get a very special reward the second time around...
