

Romani Ranch mule

Romani Ranch is a cattle farm in the Legend of Zelda game "Majora's Mask". Its cows produce the famed "Chateau Romani" milk, there is a doggy race track, somehow your horse Epona ends up there after being stolen by the Skull Kid, I even spotted a few Cuccos and there **must** be a mule somewhere as well because it helps Cremia deliver the milk to Clock Town in her wagon. I just have no idea where it goes during the day (or the wagon, for that matter... ;o)
