Cut and Score your models. Glue and fold the big flap to the bottom first, then glue and fold the end away from the steps, leaving the stairs to flap like a tongue for now. Set aside to dry.

STEP 2:

Glue the remaining tabs. Fold the steps down and press them onto the tabs. Hold them for a minute while the glue sets, or put a bit of weight on it.

2nd Story Stairs:

Cut and score as shown. Apply glue to the two large end flaps and fold over. Apply glue to the remaining support tabs and press the tops of the stairs down. Hold until dry.
