

Cat

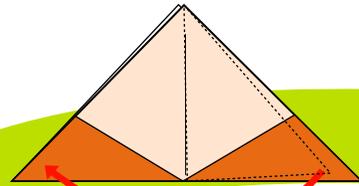

There are various types of origami which have been done in Japan since ancient times.

This Cat pattern lets you easily fold a cat's head. You can draw the face any way you like!

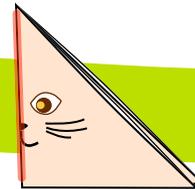

The letters in blue circles indicate the fold lines. They are also shown on the practice sheet.

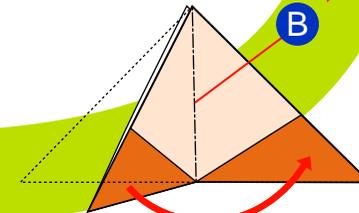

Fold in half along line A.

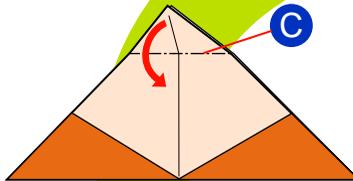

Open up the last fold.

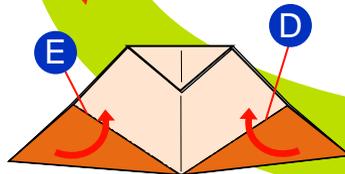

Flatten the fold.

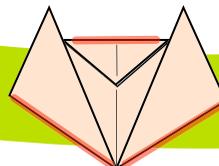

Fold in half again along line B.

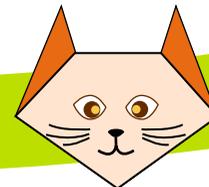

Fold the upper corner of the triangle forward along line C.

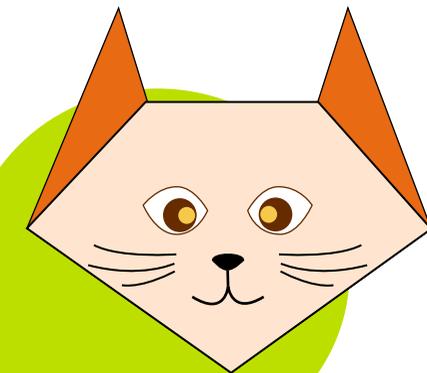

Fold corners upward along lines D and E to form the ears.

Flatten the folds.

Turn over.
