(4) Build the

passenger liner (part4)

(8) Glue in place

The harbor is visited by ships from all over the world. Where is the big white passenger liner bound for next? The passengers are all waiting anticipation for the ship to depart.

What sort of cargo did the cargo ship bring, and from where?

Meanwhile at the marina, people are getting ready to enjoy a day of sailing on a yacht.

in the diagram. It may be easier to cut widely each part, and then trim the parts carefully. Don't worry if you can't cut too closely around some of the fine details.

with (2) Build liner Passenger liner superstructure (part 2) (9) Glue in place (6) Glue in place (1) Build liner hull (part 1) glue to opposite side Print out this pattern, cut out the pieces, and assemble as shown Gangway glue together as shown Cargo ship (2) Build the cargo ship superstructure (part 2) Waiting area (3) Build the cargo Finished model ship masts (parts 3 and 4) (4) Build the cargo ship stack (part 5) (5) Glue in place Warehouses Yacht (1) Build waiting glue together as shown glue together as shown Shipping containers area part 1 glue together as shown (3) Glue in place Container 1 Container 2 (2) Build waiting area part 2 (1) Build the cargo glue to ship hull (part 1) opposite side
