1 Cut out parts A to D and crease them along the fold lines and paste the insides together.

2 Match up the slits marked with the red lines and fit them together.

Assembly Instructions

..... Mountain fold (dotted line) *Make a mountain fold.	——— Scissors line (solid line) *Cut along the line.
- · - · - Valley fold (dashed and dotted line) *Make a valley fold.	- - - - - Cut in line (solid line) *Make a cut.

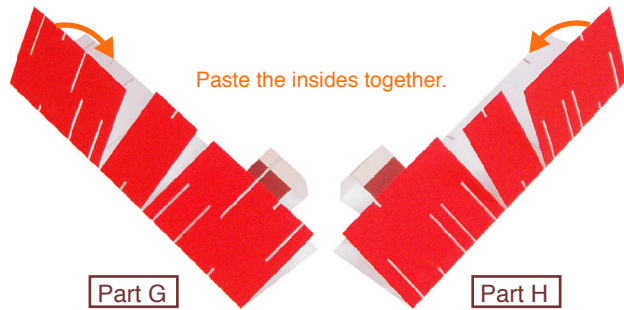

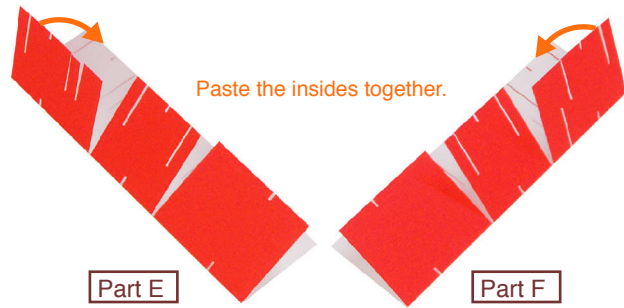

You will need
scissors, paste, cutter, a used ballpoint pen (tracing along the fold lines makes them easier to fold)

Caution: Glue, scissors, cutter and other tools may be dangerous to young children so be sure to keep them out of the reach of young children.
