

Turtle [A4 size 4 pages]

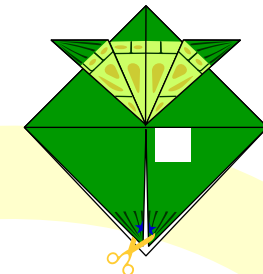

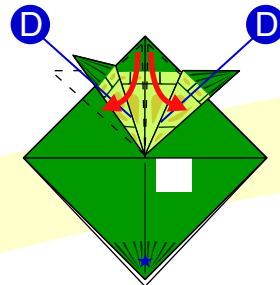

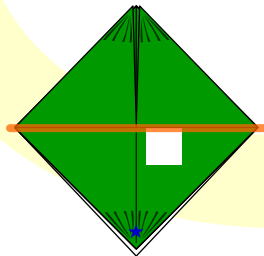

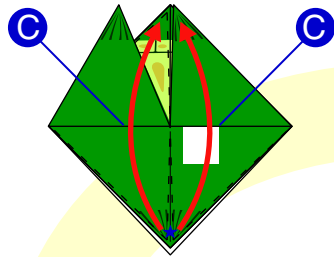

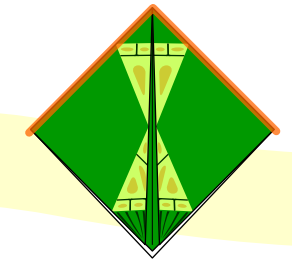

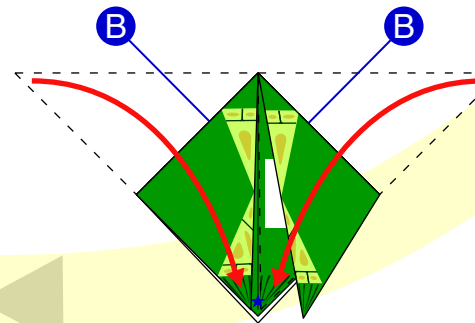

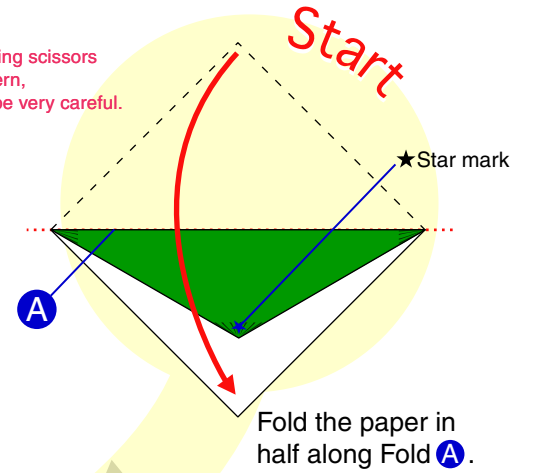

A wide range of different origami has been enjoyed in Japan since ancient times.

With the 'Turtle' pattern, you can make a turtle with a big shell.

The letters in blue circles indicate the fold lines. They are also shown on the practice sheet.

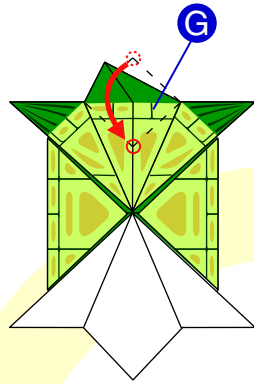

We'll be using scissors in this pattern, so please be very careful.

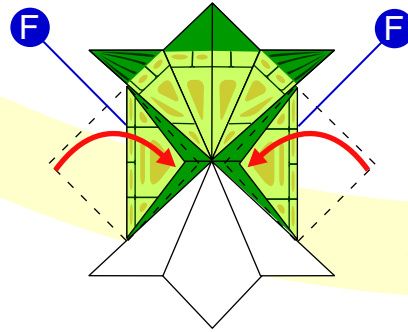

Continue on to page 2.

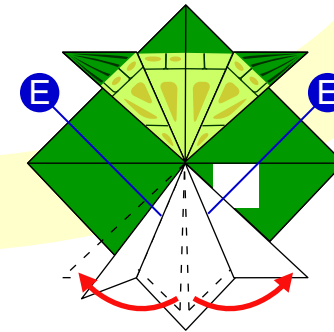

Continued from page 1.

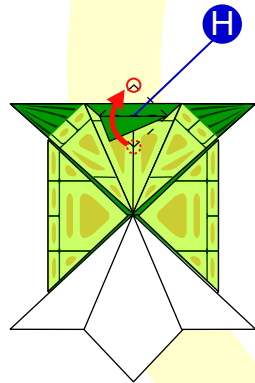

Fold down the topmost triangle along Fold **G**.

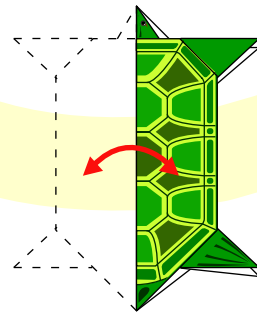

Fold the outer right and left corners inwards, along Fold **F**, so that they meet in the middle.

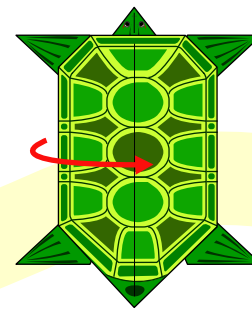

Fold the lower right and left corners back along Fold **E**.

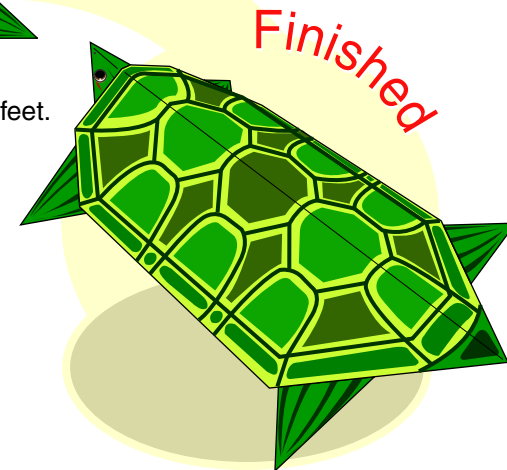

Fold the turtle's snout back along Fold **H**.

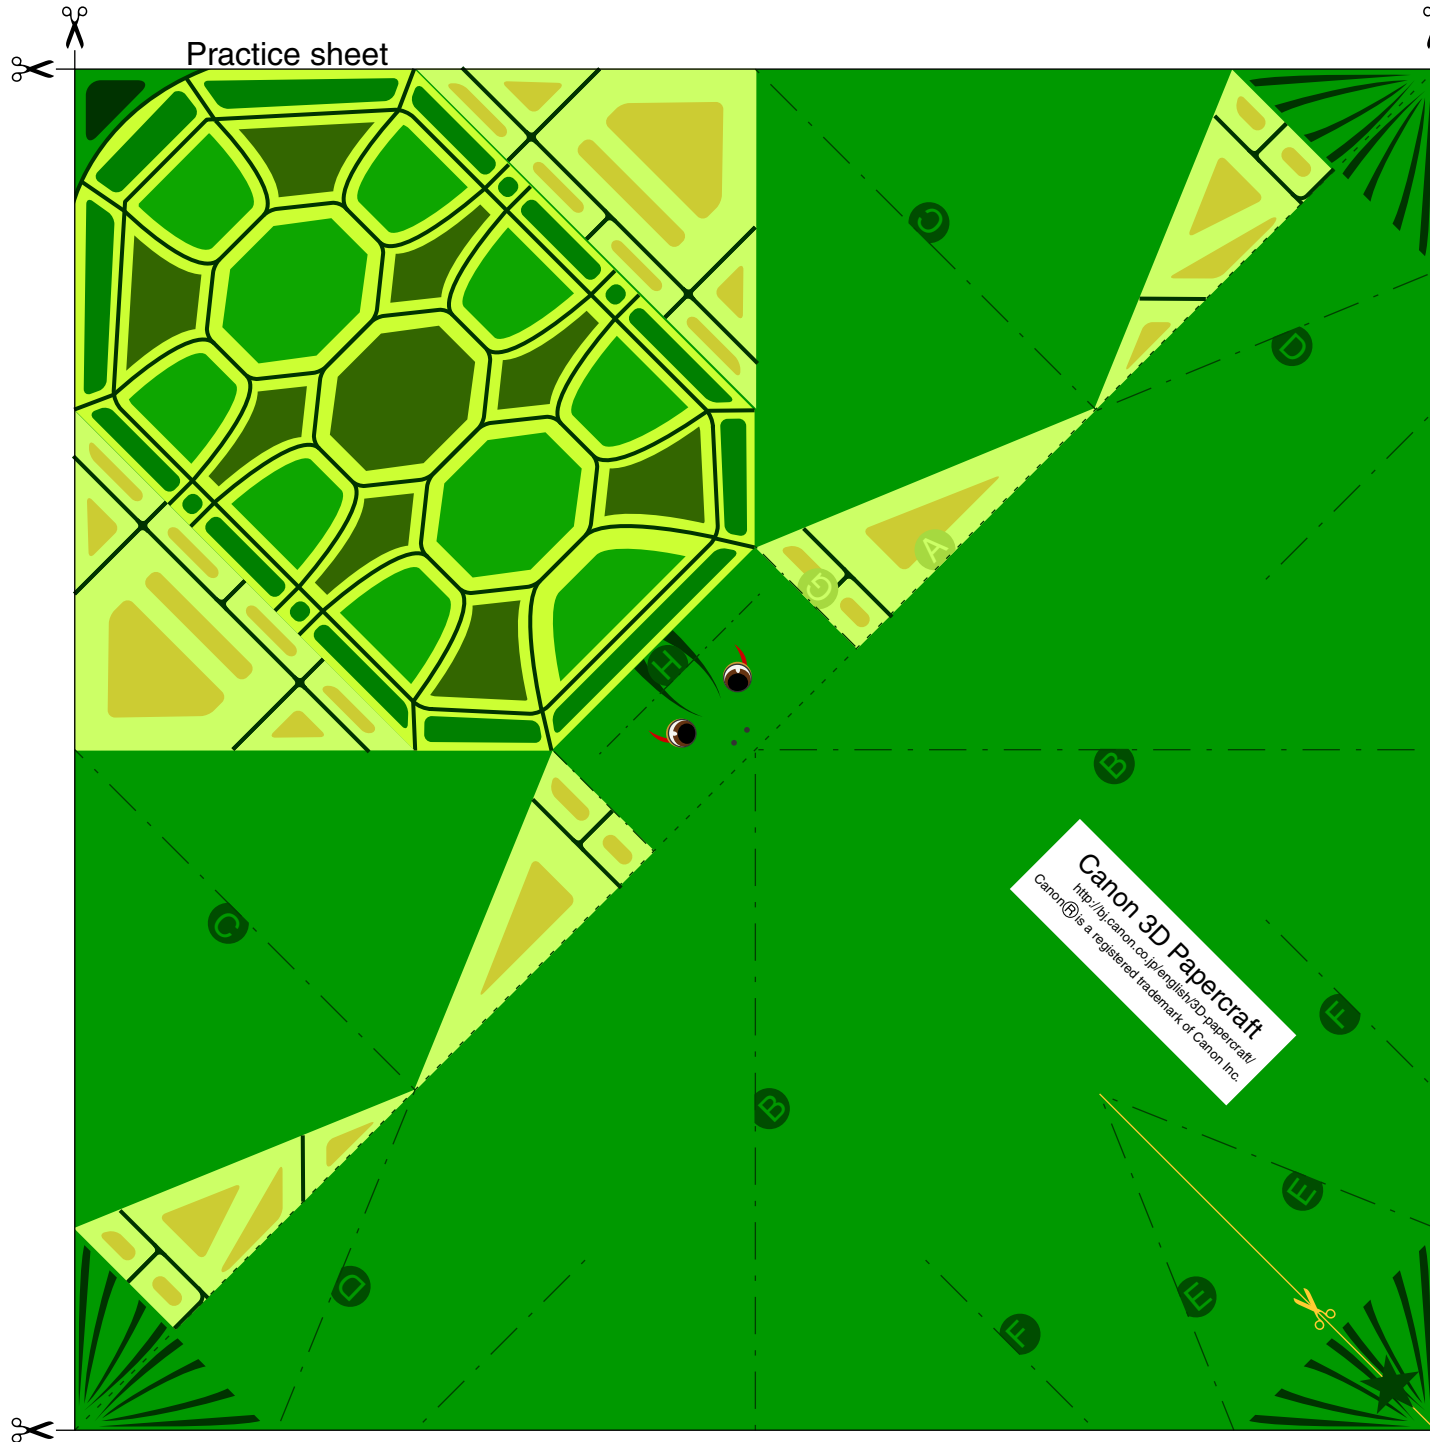

Fold the turtle inwards, down the middle.

Set the turtle on its feet.
