

Canon World Papercraft Mini-book

Buildings of the World Series  
Germany Neuschwanstein Castle

This castle, built in the style of a medieval castle atop a sheer rock outcropping, was built by the Bavarian king Ludwig II. Ludwig poured his resources into construction of castles and support of the opera. It is said that this castle was the inspiration for some of Wagner's music.

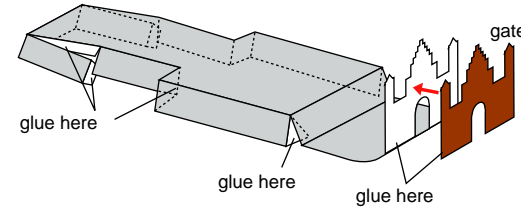

\*Cut out the card above and save it. You can collect the cards from each of the Papercraft projects to make your own mini-book!
