*Completed Box

Assembly procedure

STEP

6 Making the Ribbon

Attach parts 10 and 11 to part 9.

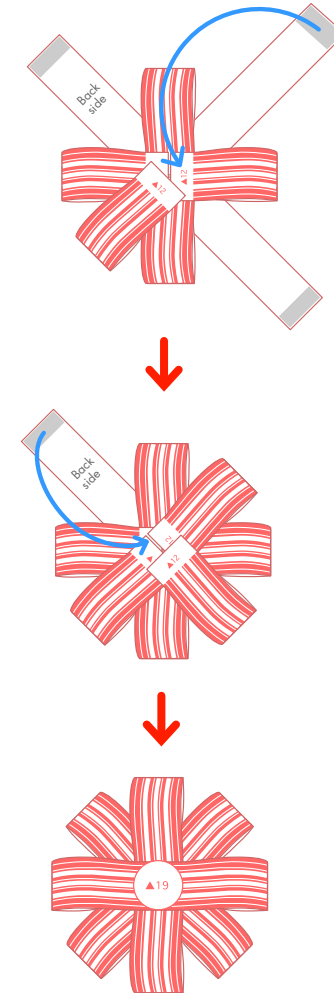

First, bend parts 10 and 11 back, and glue to the middle of the back side with the colored side out.

Next, do the same with the top and bottom strips.

Do the same with the remaining strips.

Turn the whole thing over, and Ribbon A is complete.

Assembly procedure

STEP

7 Making the Ribbon

Attach parts 13 and 14 to part 12.

First, bend parts 13 and 14 back, and glue to the middle of the back side with the colored side out.

Next, do the same with the top and bottom strips.

Do the same with the remaining strips.

Turn the whole thing over, and Ribbon B is complete.

Assembly procedure

STEP

8 Making the Ribbon

Attach parts 16 and 17 to part 15.

First, bend parts 16 and 17 back, and glue to the middle of the back side with the colored side out.

Next, do the same with the top and bottom strips.

Do the same with the remaining strips.

Turn the whole thing over, and Ribbon C is complete.
