Assembly Instructions

..... **Mountain fold**(dotted line)
*Make a mountain fold.

——— **Scissors line**(solid line)
*Cut along the line.

-·-·-·- **Valley fold**
(dashed and dotted line)
*Make a valley fold.

Cut in line **Cut in line**(solid line)
*Make a cut.

You will need

scissors, paste, cutter, a used ballpoint pen (tracing along the fold lines makes them easier to fold)

Caution:Glue, scissors, cutter and other tools may be dangerous to young children so be sure to keep them out of the reach of young children.

1 Cut out the parts and crease them along the fold lines indicated.

● Stand

● Decoration

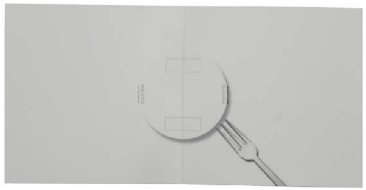
● Side

● Supports

● Front cover

● Back cover

● Base



2 Insert the flaps of the decorations into the cutaways in the stand and paste them on the back.

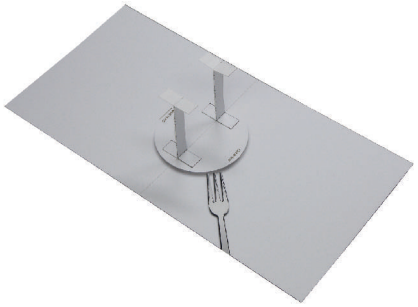
3 Fold the supports in the centre and paste the two sides together.
Paste the flaps at one end onto the centre of the base.

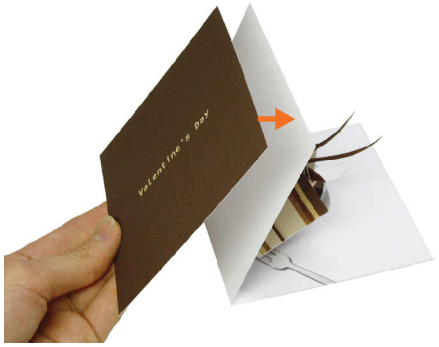


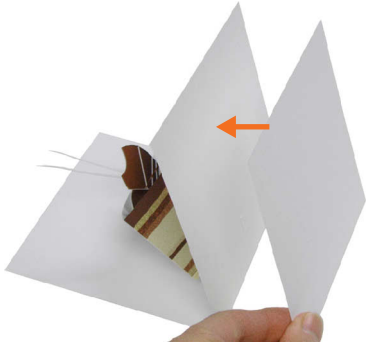
4 Paste both ends of the side of the cake to form a band. Insert the flaps at the bottom of the side of the cake into the cutaways in the base and paste them on the back.

5 Paste the stand on to the supporters and paste the stand flaps to the inside of the side cake.

6 Finally, paste the cake onto the inside of the stand.

7 Paste the coloured front cover onto the back of the left hand side of the base.





8 Finally, paste the back cover onto the back of the right hand side of the base.
